I understand that treatments with Botox/ Dysport, Juvederm, Restylane products, and Kybella must be completed by 4/1/2024, and ALL other Cosmetic treatments must be initiated or complete by 4/1/2024.

For any treatments not completed by the above dates, the remaining purchase price of these treatments will be converted to a credit toward future products or procedures at Skin Physicians and Surgeons at the non- discounted price.

Purchases are NOT transferable and CANNOT be shared between two (or more) people.

Specials cannot be combined with any other promotions or discounts. All coupons and Care Credit can only be used/ redeemed for the purchase of your Envy specials if you have a scheduled appointment for treatment during our Week of Beauty (11/06/23 - 11/10/23) and make your purchase in person (not over the phone). Rest assured, if you make a purchase for a product eligible for All points, your points can be added to your account on the date of your treatment through 4/1/2024, just let one of our staff know on that day.

\*These procedures require all product(s) to be used at one office visit to be eligible for this discount.

\*\*These procedures are performed by our Physicians Assistant. Consultations for the above services are free. If patient decides not to proceed with the procedure, money will be refunded minus the \$125 consultation fee.
